

How To Use

These guidelines serve as a foundation for the CoMEETtee brand, reflecting our goal of creating a friendly, professional, and accessible space for students and organizations to connect. By following these guidelines, we can maintain a consistent identity that communicates collaboration, trust, and opportunity across every platform and medium.

VISION

To build a connected university community where every student can find opportunities to contribute their skills, take on responsibilities, and make a meaningful impact.

MISSION

CoMEETtee aims to centralize and simplify committee recruitment by connecting university organizations with students based on their skills, interests, and availability, making opportunities more visible,

Branding Mark

Pattern Branding

Official Primary Branding Mark

PRIMARY LOGO

This is for professional use, banners, official paper documents, presentations, office/building signage.

SECONDARY

The main use of this logo is for apps and merchandise. This can also be used for official paper documents that only requires the logo or logo stamps. a

The logo.

The elongated rectangle **magnifying glass handle** that symbolizes the *search* for opportunities, guiding students and organizations toward the right committees.

The **profile of a person** reminds us that *people* are at the heart of this platform, while the **gear, brush, and hand** embody the diverse *skills* found in technicals, creatives, and logistics.

The subtle **light bulb** base formed by two rectangles and the transparent round inner background reflects the spark of *ideas* and *critical thinking* that committees possess.

With its **blue, white, and orange palette**, the logo conveys *trust, youth, and collaboration*, making **ComMEETtee** a hub where the youth's skills meet opportunities and ideas turn into action and connection.

Color Pallette

The color pallette is a fundamental component of the CoMEETtee visual identity, helping maintain consistency and cohrence across all brand communications and applications.

Use the approved color palette when designing CoMEETtee materials, products, and digital collaterals. For print applications, use CMYK or appropriate spot colors, while digital and electronic applications shouls use RBG or Hexadecimal (HEX) color values.
